

MOMS Club® of Millstone Township

The MOMS Club® of Millstone Township will be holding its next monthly meeting on June 9 at 10:00 a.m.

Mothers from Millstone and Roosevelt are welcome to come meet the Club's members and learn about this international, nonprofit organization. It offers local, stay-at-home and part-time working moms support and the opportunity to share activities and experiences with other local moms and their children.

The group will be discussing low or no cost monthly calendar activities for all age groups, ranging from newborns and up. They include local day trips, educational sessions, playgroups, local events and seasonal outings, holiday parties, book club, walking club, community service projects, monthly MOMS Nights Out and monthly meetings. Children are always welcome.
